The screenshot shows a WooCommerce cart page. At the top, there are two items in the cart, both named 'Ninja Silhouette'. The first item is priced at \$20.00 with a quantity of 1. The second item is priced at \$35.00 with a quantity of 1. Below the items, there is a coupon field with the text 'Coupon code' and an 'Apply Coupon' button, and an 'Update Cart' button.

Below the cart items, there is a 'You may be interested in...' section. It features a product image of a light blue t-shirt with a black silhouette of a person. Below the image, the product is identified as 'Woo Ninja' with a price of \$20.00 and an 'Add to cart' button.

To the right of the 'You may be interested in...' section is the 'Cart Totals' section. It contains a table with the following data:

Cart Totals	
SUBTOTAL	\$57.00
SHIPPING	Cart Based: \$12.98 <a href="#">Calculate Shipping</a>
TOTAL	\$85.98

Below the 'Cart Totals' table is a purple button labeled 'Proceed to Checkout'.

At the bottom of the page, there are navigation links: 'Add to Favorites', 'Add to Collection', 'Elite Author', and '3 of 3'.
